

Did your health, disability and mental health service provider....

If this happened to you, it is OK to complain.

As a **young person**, taking responsibility for your own **health** and **well-being** for the first time is a **big deal**.

Visiting **health services** like doctors, specialists, dentists, physiotherapists and hospitals by yourself can be **challenging**.

HaDSCO will listen to you. We will do what we can to help fix the problem. Our services are **free**.

If we can't help, we will help you find someone who can.
